Dear Judge Patterson;

Please accept this letter as our request for a second and final brief two week extension of time (14 days) to respond to the Governments combined Reply for the return of property seized in the criminal case.

Due to a scheduling conflict, our Second Circuit Appeal appendix and reply brief is still not confirmed and accepted and requires additional editing work to satisfy both the court and the government objections. This has split my and my limited consulting resources attention to the Second Circuit Court and would result in a rushed and unsatisfactory submission to this court tomorrow.

Respectfully Submitted,

D. B. Karron, Ph.D.
